

LEIPA Classic brown CEPI-Code 30

LEIPA Classic brown is part of our comprehensive range of packaging papers suitable for the corrugated production. LEIPA Classic brown is a double layer testliner based on 100% recycled paper. A performance grade produced with runnability in mind and exhibits an excellent haptic effect. The good surface coupled with high strength properties result in efficient production.

Characteristics

- » High surface properties
- » Excellent haptic properties
- » Top printability performance
- » Superb strength

Key Benefits

- » Fulfilling high demand area
- » Excellent runability
- » Supports the sustainable market for recovered paper
- » Encourages efficient corrugated production

Typical Applications

- » Retail shelf ready
- » Food packaging
- » Industrial packaging
- » All application areas harmonising recycled fibre and high strength properties

Properties	Unit	Standard	Target Figures			Tolerances
Grammage	g/m ²	ISO 536	100	120	135	± 3%
Moisture	%	ISO 287	8,0	8,0	8,0	± 1
Burst resistance	kPa	ISO 2759	240	265	300	- 10%
SCT CD	kN/m	ISO 9895	1,7	2,1	2,3	- 0,3
Cobb60 (top side)	g/m ²	ISO 535	35	35	35	≤ 50
Roughness PPS (top side)	ml/min	ISO 8791-2	1000	1100	1200	+ 100

All values are measured under standard climate condition (23°C, 50% RH). Our measurement devices are included within the CEPI cycle.

Carbon footprint

DEU

Results by transport scenario 472,0
[kg CO₂/ton of paper]

Based on the EURO-GRAPH / CEPI framework (Status: 2021)
