leipa graphic paper

LEIPA Mag matt

LEIPA Mag matt is part of LEIPA's portfolio of lightly coated standard papers. It offers a particularly reader-friendly matt surface and additionally provides a subtle haptic experience.

Characteristics

- Pleasant, low-reflection reading experience for winning image/text combinations
- Warm appearance and haptic effect
- Clean, closed and even paper surface
- Very good colour reproduction of images

Key Benefits

- Economically efficient solution for printing in high quantities
- Blue Angel certified

Typical Applications

- Flyers
- Catalogues
- Brochures
- Magazines

Properties	Unit	Standard	Target Figures		Tolerances
