leipa graphic paper

LEIPA Mag plus gloss

LEIPA Mag plus gloss extends the range of lightly coated papers by a paper with high gloss and whiteness. In combination with the highly calendered surface, this top-value paper ensures high-quality printing results.

Characteristics

- Suitable for high-quality journals and advertising flyers thanks to its high brightness
- High-quality and sharp image reproduction as a result of the coated surface

Key Benefits

- Blue Angel certified
- EU Ecolabel, FSC® and PEFC certified

Typical Applications

- Journals
- Brochures
- Flyers
- Advertising Materials
- High-quality Magazines

Properties	Unit	Standard	Target Figures								Tolerances
