

LEIPA Mag plus matt

LEIPA Mag plus matt is a contemporary paper with an improved brightness level and a modern matt and coated surface. The outstanding opacity is achieved by a perfect blend of long and short fibres. Thanks to our passion for paper, the typographical experience is unique.

Characteristics

- » Coated surface – providing ideal and sharp image reproduction
- » Less reflections, offering an eye friendly reading experience
- » High and perfect opacity

Key Benefits

- » Blue Angel certified, the most demanding environmental sustainability certificate from Germany
- » EU Ecolabel, FSC®-Recycling and PEFC certified

Typical Applications

- » Journals
- » Brochures
- » Flyers
- » Advertising Materials
- » High-quality Magazines

Properties	Unit	Standard	Target Figures							Tolerances
