leipa graphic paper

LEIPA Sky plus

LEIPA Sky plus impresses with its special visual and tactile appeal. The finely structured matt surface and the outstanding 1.2-times volume form the perfect symbiosis for a special print experience. The paper volume not only offers an outstanding structure, but also economic advantages: Less weight for the same number of pages.

Characteristics

- A truly unique feature of paper volume made from recycled fibres
- Coated surface – providing ideal and sharp image reproduction
- Special touch and haptic provided by special calandered paper surface

Key Benefits

- Blue Angel certified, the most demanding environmental sustainability certificate from Germany
- EU Ecolabel, FSC® and PEFC certified

Typical Applications

- Special print editions
- Customer magazines
- Cooking books
- Direct advertising
- Brochures

Properties	Unit	Standard	Target Figures							Tolerances
