

LEIPA Sky plus

LEIPA Sky plus impresses with its special visual and tactile appeal. The finely structured matt surface and the outstanding 1.2-times volume form the perfect symbiosis for a special print experience. The paper volume not only offers an outstanding structure, but also economic advantages: Less weight for the same number of pages.

Characteristics

- » Unique volume of 1.2 for a paper with 100% recycled paper content
- » Coated surface – providing ideal and sharp image reproduction
- » Unique touch and haptic provided by special calandered paper surface

Key Benefits

- » Blue Angel certified, the most demanding environmental sustainability certificate from Germany
- » EU Ecolabel, FSC®-Recycling and PEFC certified

Typical Applications

- » Special print editions
- » Customer magazines
- » Cooking books
- » Direct advertising
- » Brochures
